

REACHING HIGHER

System76 is the preferred Linux solution for higher education for over 20 years

WHY SYSTEM76?

- ✓ **Experience and success in academia:**
System76 has been selling to 99% of Tier 1 research universities for 20 years.
- ✓ **Made in the USA:**
All desktop workstations and keyboards are designed and manufactured in Denver.
- ✓ **Ease of purchasing:**
System76 enables a quick turnaround when time is short at the end of the fiscal year, and we're an approved vendor in most university purchasing systems.
- ✓ **Unmatched Linux-first support:**
Free lifetime software support from Linux specialists. Our team provides the highest level of customer support and care from day one.
- ✓ **The Linux alternative:**
System76 provides the entire Linux ecosystem as universities leave Windows for free Linux operating systems and apps.
- ✓ **The optimal solution for students:**
Our new Lemur Pro and Adder Pro laptops are ideal options for students thanks to their extended battery life and ability to handle academic workloads.
